Dexter Glasgow CEO/FOUNDER

Biography

I am Dexter of the family Glasgow. The proud father of three children and I was born on the Caribbean twin islands of Trinidad and Tobago. I am truly blessed to be one of the offspring of Amphy Jackson and Bashana Evans. They were the progenitors of my family's blood line and its rich legacy. Amphy and Bashana were two amongst the many American slaves known today as [“The Merikens”](#) who fought for the British army in the war of 1812 between England and The United States. After the British victory over The United States the two gained their freedom and were awarded land on the Caribbean island of Trinidad.

My grandfather, uncles, and the public school system taught me several lines of trades, which included tailoring, carpentry, plumbing, masonry, and barbering, which I mastered. Upon completion of my education I migrated to the United States. I was mentored by Andy Howell (President of Sidewalk University), Keith Green (President of The United Way of Bergen County New Jersey), Arthur Thomas (Sales, Marketing, and Tax Expert), Arthur Martin Sr. (Retired Lawyer), and Vincente Lopez (Investment Banker and Insurance Agent). These men educated and advised me in the areas of Non-profit development, Financial Investments, law, insurance products, trust and estate planning, marketing, sales, and taxation. They inspired me to take private classes in the areas of finance, law, insurance, estate planning, leadership, and private Bullion Banking.

I proudly owned a barbershop for 20 year, which kept me connected to the community that I operated my business in. I would like to serve humanity and educate in the areas of law and finance. I would like to empower my fellow men so they can make the right choices regarding their finances and help them understand the letter and color of law. I have taught private classes in the areas of alternative law and finance for the past 5 years. Consulted privately in the areas of estate planning, trust creation, and trust management. In my spare time, I volunteered at the City of East Orange Recreational Planning Committee and the United Way.
